**ANNUAL DINNER MEETING SMASHING SUCCESS**

*A great meeting*

Over 125 people attended our April 12th annual dinner meeting. It rained hard that night, but that did not dampen the spirit of the evening. Kudos to Al Saraceni, outstanding gourmet chef and master plumber, 786-5228, Betty Jones, Al Fuchino, Lucia Whitney and Wally Mart for the marvelous dinner. Praise goes to Peter "Sam" Stamas, 729-6941, and his brother George for their unique floor show of picking up chairs and tables by their teeth. Thanks also to Mary and Peter Stamas of Stamas Sales, 786-3278, whose linen tableclothes gave the meeting room elegance and a special thank you to the many people who donated door prizes.

*Welcome aboard*

Congratulations to elected board members Walter Mart, Al Saraceni and Jim Young, and officers, Ramona Costello - secretary, Ray Ellis - treasurer, Vick Maiello - vice chairman, and Phil Ozenick - chairman.

**UTILITY TAX REFUNDS TO FORE**

*A thank you*

People have called wanting to share their utility tax refund with FORE. When asked why, most say that they will not have to pay the tax anymore and that FORE got the tax off of their utility bills. The tax deductible donations humbles us, but will help us as we continue to work on issues that concern many Roseville residents and small businesses.

There may be some people in Roseville that feel all of these expenditures are justified and just part of doing business that bring the city far more than what has been spent. Unfortunately, the public has not had the privilege of knowing just how much has been spent and for what purpose. No wonder the city manager and city council have refused in the past to make the line item budget available to the public.
